

Getting Started with Android

1.03 How do I get a Liquid UI for Android trial license?

Explore Liquid UI for Android app with free trials and downloads that let you work on the complete SAP GUI on your Android device with a productive and intuitive UI. You can get the trial license for Liquid UI for Android in two ways, as listed below:

1. [To request a license from the app](#)
2. [To request a license from the website](#)

The validity of the trial license is 30 days, after which it will expire, and the authority has to decide whether to extend the software or purchase the non-trial version of the software. To get the Liquid UI for Android trial license, please do the following.

To request a license from the app:

1. Tap on the **navigation drawer** of the Liquid UI for Android located in the top left corner of the screen that opens a menu with the available options, as shown in the image below.

Getting Started with Android

2. Click on the **Request License** to request a license from Synactive. Then, a window will appear with the list of available options to request license, as shown in the image below.

Getting Started with Android

3. Click on **MAKE A REQUEST**. Then, the License Assistance screen will appear fill out the required information in the form, and then click **SEND**, as shown in the following image.

Getting Started with Android

The image shows two side-by-side screenshots from the Liquid UI for Android app. The left screenshot is the 'LIQUID for Android' home screen, which instructs users to obtain a license. It features three buttons: 'PURCHASE THROUGH IN-APP', 'MAKE A REQUEST' (highlighted with a hand icon), and 'APPLY LICENSE'. Below these buttons, contact information is provided: '+1-650-341-3310' and 'support@guixt.com'. The right screenshot is the 'LIQUID License Assistance' form. It contains a message: 'To experience Liquid UI, please fill out the license request form below and select your preferred contact method. Press the Send button to convey this information to Synactive. You will need an active Internet connection'. The form fields are: First Name (Divya), Last Name (Thatipalli), Job Title (xxxxxxr), Company (Synactive), Business email (divya@guixt.com), Phone (6503413310), Country (India), State/Province (Telangana), and Preference (E-Mail selected). A 'SEND' button is at the bottom, highlighted with an orange arrow pointing from the 'MAKE A REQUEST' button in the left screenshot.

4. After successful confirmation, you will receive an email from Synactive, as shown in the image below.

Getting Started with Android

Hi Divya,

Thank you for expressing interest in Liquid UI for Android!

We've received your request for a free trial, and we're excited to help you explore the powerful features of our app that can transform your workflow and enhance your productivity.

What You'll Be Able To Do
